Dimensions:

Fitment Information:

Verified Fit:

- 2007-2013 Chevy Silverado and GMC Sierra trucks with Bose systems.

Unverified but May Fit:

- Other GMC and Chevy trucks between 2007-2013 with Bose systems where the tweeters are in the A pillars.

Please check your car's tweeter location and housing dimensions to confirm that the GB100E-0012 will fit.

Installation Steps and Precautions:

Removal of OE tweeter:

- Carefully pull back the plastic tabs to unhook the OE tweeter from the Bose grill. Make sure to not break the plastic.

Installation of Audiofrog OE tweeter:

- Position the Audiofrog tweeter so that the teeth of the frame align with the holes in the tabs of the plastic Bose mount.
- Then press down firmly to clip into place.

Limited Warranty (USA): Audiofrog GB Series products sold in the USA through authorized Audiofrog dealers are warranted to the original purchaser against defects in materials and workmanship for one year after the date of original purchase. They are warranted for an additional year if they are installed by an authorized Audiofrog dealer. Please save your receipt. A valid receipt from an authorized Audiofrog dealer is required for warranty service. If you purchased your GB Series products outside the USA, please consult your local distributor for warranty terms and conditions.
